

Criteria for granting the City of Rauma's summer job subsidy in 2025

Instructions for the youth

Applying for a summer job voucher

In 2024, summer job vouchers will be granted to young people born between 2004 and 2009 who are residents of Rauma or originally from Rauma. The employer must be a company or association based in Rauma. Companies based in Rauma that have their registered office elsewhere can also act as employers if they hire young people from Rauma in Rauma or a student from Rauma who has moved elsewhere and is returning to work in Rauma for the summer.

The summer job voucher is also used to support summer employment for foreign students living and studying in Rauma. These students can apply for a summer job voucher if they were born between 2000 and 2009.

The summer job voucher can be reserved by filling in an online application form. The application form can be found on the City of Rauma's website: <https://www.rauma.fi/tyo-jayrittaminen/tyopaikat/nuorten-kesatyopaikkatuki/>

The application period will run until all the vouchers have been issued, but until 31 May 2025 at the latest. The vouchers are issued on a first-come, first-served basis.

You must have a valid personal email address in order to make a voucher reservation. For example, please do not use your parents' email. The vouchers are issued on a first-come, first-served basis within the limits of the available budget. Once your reservation has been processed, you will be notified by email. If there are more applicants than summer job vouchers, a waiting list will be created. Those on the waiting list will also be notified by email.

Once your reservation has been processed, you will be notified by email that your application has been processed. You will then probably receive a message the next day or the day after you apply, telling you whether a voucher is reserved for you or whether you are on the waiting list.

A voucher reservation is valid for three (3) weeks at a time. If you do not find a summer job within the three-week reservation period, your reservation will be cancelled. If your reservation is cancelled, you will be moved to the waiting list. The waiting list also includes people who did not receive a summer job voucher. The waiting list is rotating.

Waiting list for summer job vouchers

Once all the vouchers have been reserved, you will receive an email notification after submitting your application, letting you know that you are on the waiting list. If all the vouchers are reserved, they will be checked every three (3) weeks. You will receive a separate email notification when/if a voucher becomes available. Also remember to check your spam folder!

If you do not receive an email, it means you are still on the waiting list. It is not possible to give more precise information about your place on the waiting list, as the situation with the vouchers is constantly evolving.

Use of the summer job voucher

1. Ask and apply for a summer job in companies, associations or other employers that interest you. The employer must operate in Rauma. You cannot use the summer job voucher to apply for a summer job with the City of Rauma.
2. The employer must be a company or association based in Rauma. Companies based in Rauma that have their registered office elsewhere can also act as employers if they hire young people from Rauma in Rauma or a student from Rauma who has moved elsewhere and is returning to work in Rauma for the summer.
3. Those selected for the City of Rauma's Summer Entrepreneurship Programme or the Pikaduuni campaign cannot use a summer work voucher.
4. When you find a suitable job and get it, please fill in the online form with the employer, which you will receive a link to when you confirm your voucher reservation. Please remember to fill in the form before the voucher reservation expires! **The employer must attach a tax debt certificate to the form.**
5. Once the employer's form has been processed and approved, the contract for the summer job subsidy and the summer job voucher will be sent to the employer by email. The young person to whom the voucher is reserved will also be notified. The voucher will be accompanied by additional instructions for the employer on how to apply for the payment of the subsidy.
6. Make a written employment contract with your employer before starting the employment relationship. Remember to give your employer your tax card and bank account number.
7. After the summer work period, your employer will issue you with a certificate of employment and send the required attachments to the City of Rauma with the application for payment.
